About the Kit

- OSHA Compliant — this robust training kit gives you all the materials you need to train operators and ensure OSHA compliance
- By Trainers Who Know — these are the exact materials we use when we go on-site to certify your workers.
- Reusable — No buying extra student manuals or exams. You get the files. Use them, print them out as often as needed.
- Full Customization — Make it work for you. Change what you want: images, slides, exams, etc. You can even replace our logo with yours!
- No more Wasted Time — Easily tiered to fit your time. Put on a full-day class or cut it down to 4 or 2-hour refresher classes.
- Everything You Need — Presentation, instructor notes, student manuals, exams & keys, observation guides, regulations, certs & wallet cards, accident profiles, classroom
